Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Advisory Action

This office action is in response to Applicant's response and affidavit submitted after FINAL filed on June 6, 2008.

The affidavit submitted June 6, 2008 is not entered because Applicant has not provided a showing of good and sufficient reasons why the affidavit is necessary and was not earlier presented.

It is noted that, although the affidavit states that "some compounds in the table" have both agonist activity and antagonist activity, this data is not commensurate in scope with the claims.

All rejections of record in the Final Office Action dated March 6, 2008 are maintained in view of the affidavit After Final not entered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LAYLA BLAND whose telephone number is (571)272-9572. The examiner can normally be reached on Tuesday - Friday, 8:00-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anna Jiang can be reached on (571) 272-0627. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
